UW-Oshkosh / Wisconsin Paper Council Strategic Framework VIRTUAL Stakeholder Meeting Invite

Wednesday, October 20, 2:00 p.m. – 4:00 p.m.

Please join us for our final regional Wisconsin paper industry strategic framework stakeholder meeting that will be held virtually. You have been invited to join this session because of your important role and knowledge of the Wisconsin paper industry. We'll be addressing the topics of talent, sustainability, and innovation in the paper industry. This is the third step in an ongoing study of the Wisconsin paper industry conducted by UW-Oshkosh in partnership with the Wisconsin Paper Council and funded by a WiSys IGNITE! Grant. Your feedback and participation will help us make important decisions that will affect the future of this valuable industry in our state. Whether you are able to attend or not we ask that you complete this important workforce survey that will help direct workforce and talent strategies in the future for the paper industry <http://uwo.sh/wpc-survey>

For more information on the study visit: <https://uwosh.edu/ccrs/wisconsin-paper-industry-study/>

Attendees should be prepared to be logged on by 2:00 as the event will begin at 2:00.
